

Deal Terms Checklist

Use when: terms arrive, or any email changes a number.

Step 1 — Fill in the terms snapshot

Copy the **exact sentence** for each term into the record, with the email date. Label it **TS-1**. If terms change later, make **TS-2**. **Never overwrite TS-1**.

What the colors mean

Color	Means	Your action
🟢 Confirmed	Written down and confirmed in writing by every producer	Continue
🟡 Missing	Not stated anywhere yet, or unclear ("25%" without saying each/total)	Find it: ask using Email 08 (Terms Confirmation)
🔴 Conflict	Two emails or documents say different things	🚨 Escalate. Do not pick one.

Step 2 — Get confirmations in writing

- ☐ Our producer confirmed TS-__ in writing
- ☐ Each co-producer's team confirmed the split in writing
- ☐ Producer answered: samples? __
- ☐ **Producer answered: other collaborators? ____**

"Looks good" on a different email, a call, or an emoji **does not count**. Ask again, quoting the terms.

🚨 Escalate immediately if

- any 🔴
- a new producer, writer, or collaborator appears
- a sample or interpolation is mentioned

- a co-producer's team won't confirm the split (this once stalled a contract for 63 days)

Done when

Every row  → stage = **CONTRACT** → send the contracting info (Email 09) → card 04. Also start **vendor setup** now (card 05, Part A).
